8. Thưa thầy, từ slides GO và COME đang học, em muốn hỏi sự khác nhau giữa BRING và TAKE ạ?

Trước giờ em hiểu là "BRING it here" và "TAKE it away", nhưng em đọc ví dụ sau "She visits her father every morning and she always TAKES/ BRINGs him the day's newspaper." thì hai từ đều được, trong khi em nghĩ phải là BRINGs.

Nguyễn Hằng thì cũng khác gì COME vs. GO đâu nhỉ?

TAKE nghiêng về source còn BRING nghiêng về target. Nếu như ví dụ trên (có nhắc đến target là bố cô ấy), thì thường người ta sẽ cho rằng target là focus và dùng BRING là chính.

Còn nếu thay TAKE vào thì có thể hàm là ý cô ấy mang báo TỪ CHỖ CÔ ẤY (ngầm hiểu) đến cho bố.

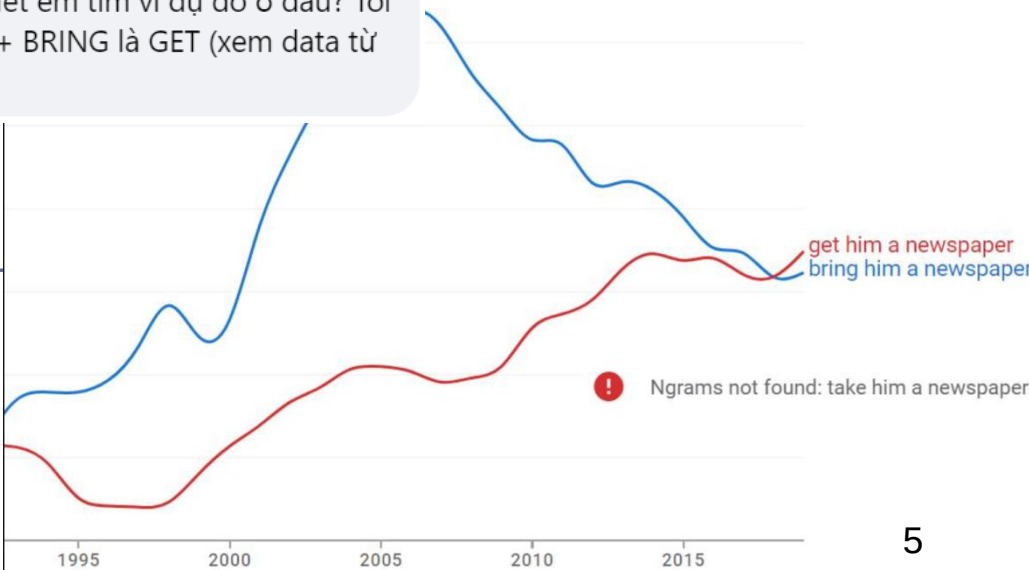

Lý giải thì thế, nhưng tôi ko nghĩ ngoài đời người ta có thói quen dùng TAKE trong trường hợp tương tự (sounds weird). Không biết em tìm ví dụ đó ở đâu? Tôi sẽ thay nó = một từ mà bao hàm cả quá trình TAKE + BRING là GET (xem data từ Ngram ở dưới).

Bring or take ?

She visits her father every morning and **she** always **takes** him the day's newspaper.
