

TẬP I

Session 14

Instructor: Hồ Lê Vũ

Start recording...

OVERVIEW

- LIE DETECTION

LIE DETECTION

- The main problems with polygraph tests
 - An alternative: face reading
- *watch sample clips*

ACTIVITY 1

- Lie detection techniques: *The case of a bombing terrorist*

STRUCTURES

- (Lawyer) I've **instructed** my client to remain silent.
- **tell** [N] vs. **instruct** [N→F] vs. **direct** [F] someone to do something
 - I **told** you to be here on time.
 - The letter **instructed** him to report to headquarters immediately.
 - Take the pills as **directed** by your doctor.
- [obligation] **tell** < **order**

STRUCTURES

- **order** [N] vs. **command** [N→F] vs. **enjoin** [F] someone to do something
 - The police officer **ordered** the crowd to back away from the suspect
 - The commission **commanded** that work on the building cease.
 - The captain **enjoined** his crew to sail at full speed into the mine-filled harbor.

STRUCTURES

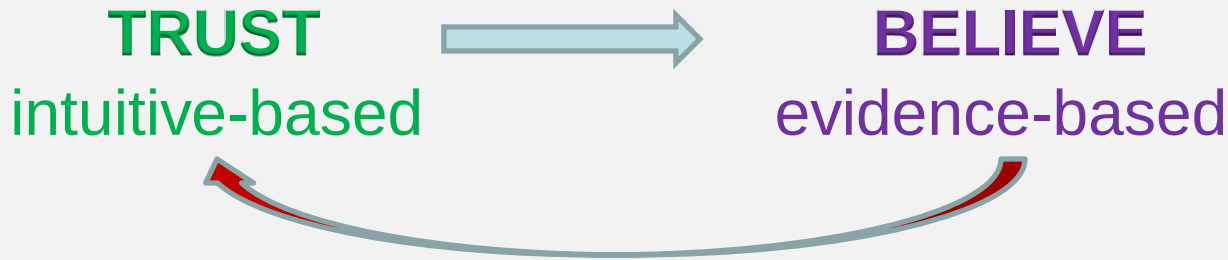

- I don't **have** much **faith in** words myself.
- have **trust** [N] vs. **confidence** [I→N] vs. **faith** [F] in
 - This is a relationship built on mutual **trust**.
 - I have every **confidence** in you.
 - We've lost **faith** in the government's promises.

- trust vs. believe

Quizzes

- “*Helen said she hates you.*”
“*Really? Let me talk to her first, then I’ll _____ you.*”
- Well, I haven’t seen any proof but I _____ her.
- I _____ (that) you have no objections to our proposals.

STRUCTURES

- If someone gives you information and you have the evidence that supports it, you **believe** it. If someone gives you information and you accept it without checking, it means you **trust** the person.
- That you **believe** a person does not necessarily mean you **trust** him. But if you **trust** a person you tend to **believe** what he says.

QUIZ SOLUTIONS

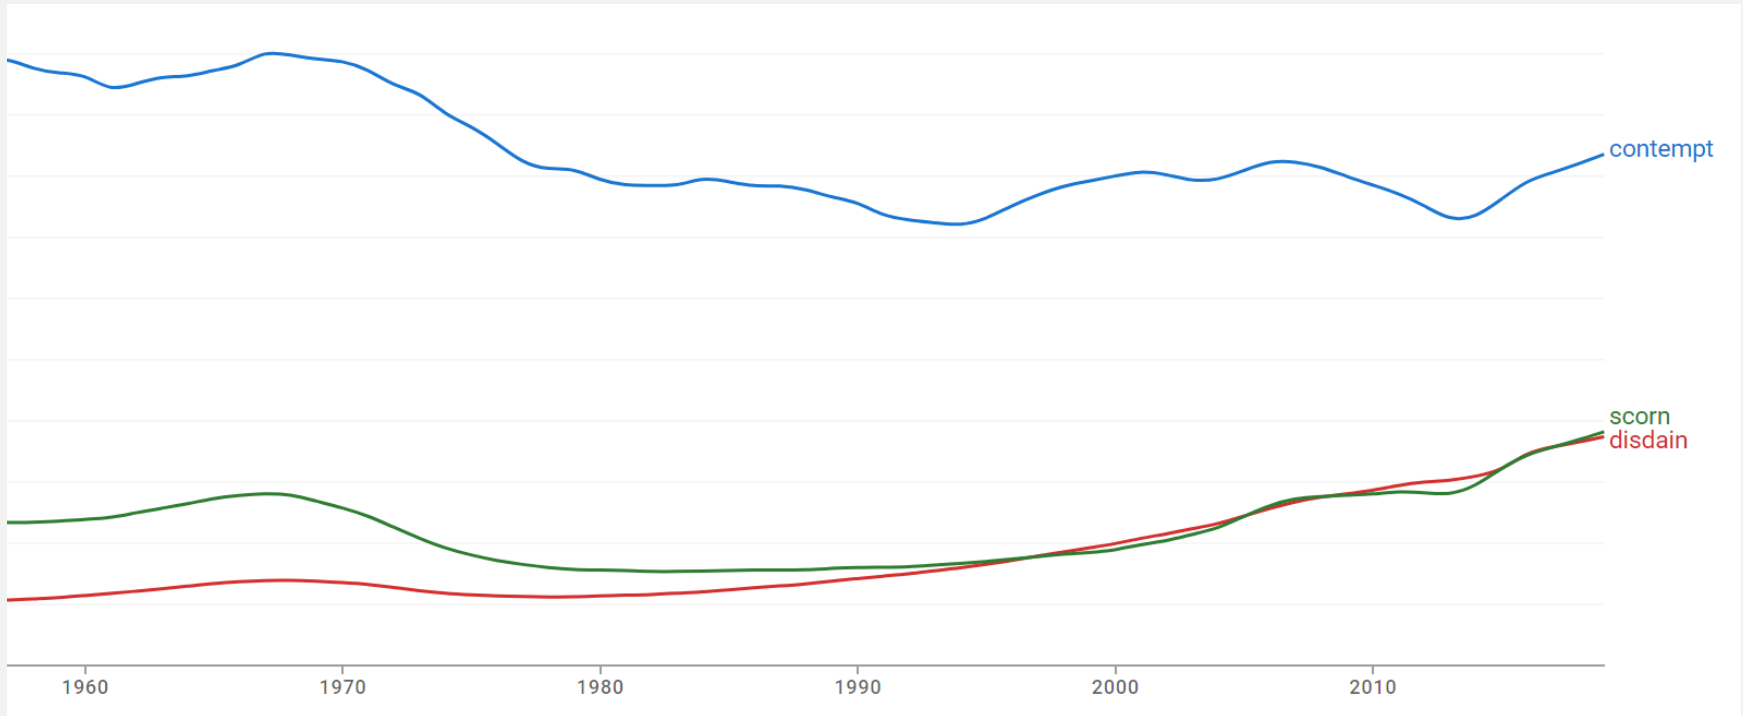

- “*Helen said she hates you.*” “*Really? Let me talk to her first, then I’ll believe you.*”
- Well, I haven’t seen any proof but I trust her.
- I believe [N] vs. trust [F] (that) you have no objections to our proposals.
 - = I count on your having no objections to our proposals.

STRUCTURES

- F.B.I got it wrong. Well, there's a **shocker** [I, **sarcastic inversion**].
- a brief expression of happiness on his face, which he was trying his best to **conceal**.
- **hide** [N] vs. **stash** [I, **physical**] vs. **conceal** [F]
 - He **hid** the letter in a drawer.
 - The gun was **stashed** under the bed.
 - The paintings were **concealed** beneath a thick layer of plaster.
 - Tim could barely **hide** vs. **conceal** ~~stash~~ his disappointment.

STRUCTURES

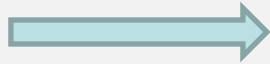

- **Scorn**. Shame. **Contempt**. These expressions are universal.
- **scorn** vs. **disdain** vs. **contempt** [N→F, LW]

FOOD FOR THOUGHT

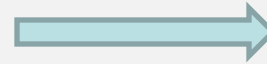

CONTEMPT

judgment

DISDAIN

attitude

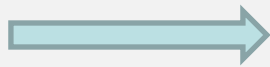

SCORN

expression

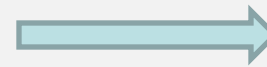

- **Contempt** is the mental judgment, **disdain** is the feeling it produces, and **scorn** is the display of it.
- Politicians seem to be generally held in **contempt** by ordinary people.
 - When he sees a politician, he turned his head away in **disdain**.
 - She was unable to hide the **scorn** in her voice.

FOOD FOR THOUGHT

CONTEMPT
judgment

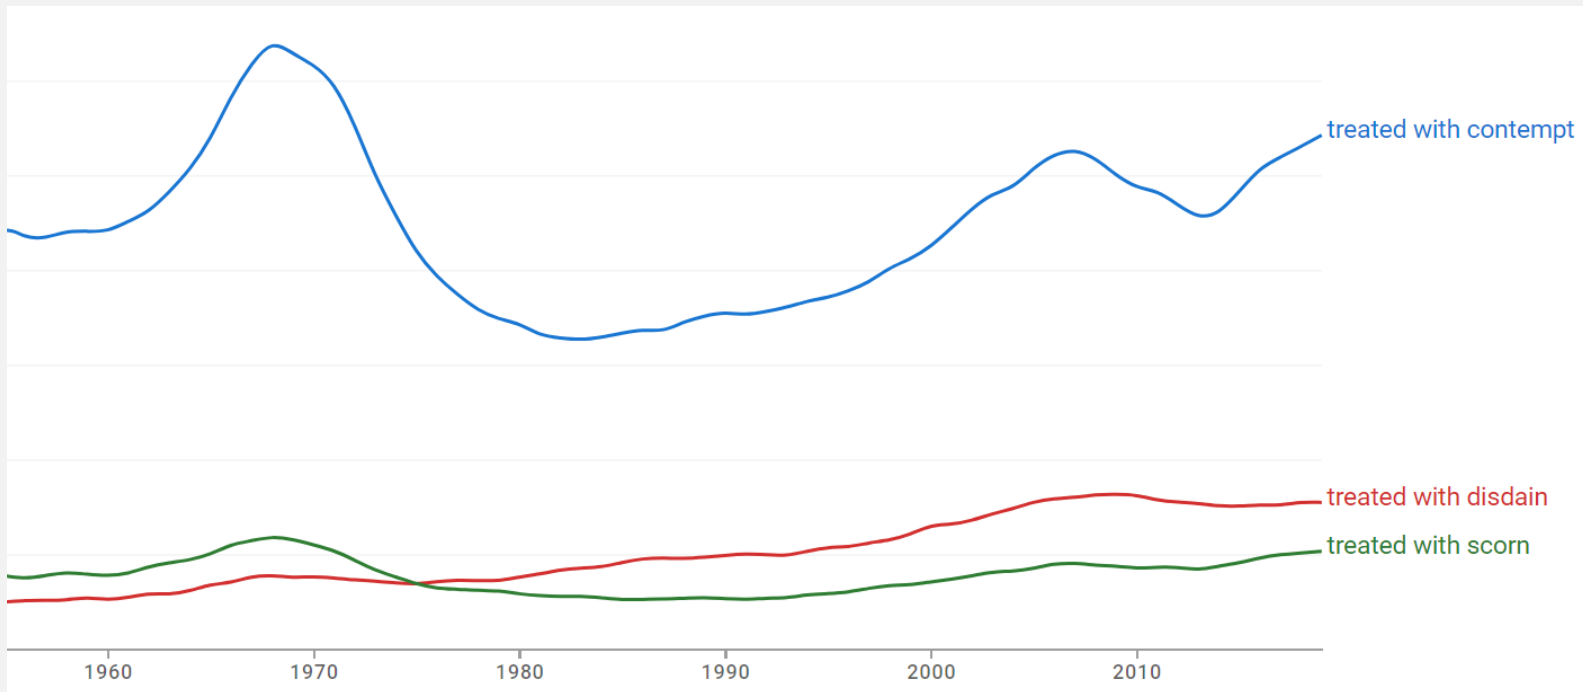

DISDAIN
attitude

SCORN
expression

Interchangeable usage in real life (involving **synecdoche**)

- She treated him with **contempt** vs. **disdain** vs. **scorn**.
- hành vi thiếu tôn trọng, không tuân thủ quy định của tòa?

STRUCTURES

- hành vi thiếu tôn trọng, không tuân thủ quy định của tòa
 - The journalist was found to be in contempt of court for refusing to reveal his sources.
- gần chùa gọi Bụt bằng anh?
 - Familiarity breeds contempt

ACTIVITY 2

- Lie detection techniques: *The case of an alleged sex buyer*

STRUCTURES

- You think it could be a smear **job** [I]?
 - The gang pulled off that bank **job**. [I, crime]
- You finished your paint **job** [I] but you have some paint left over.
 - If you want to look better, a nose **job** could help [I, appearance].
- It's real wood—not one of those plastic **jobs** [I]
 - The limousine was a long white **job** [I]
 - The new car was a nice **little job** [I, diminutive + job]
- **type** vs. **kind** vs. **sort**

STRUCTURES

- [formality] sort < kind < type

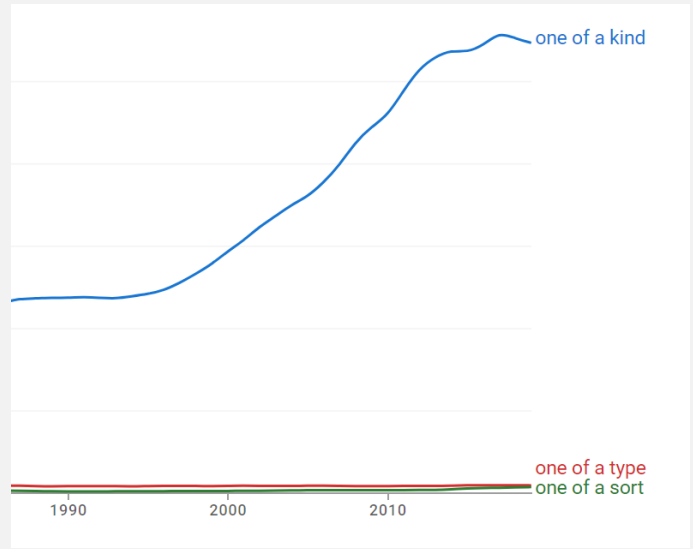

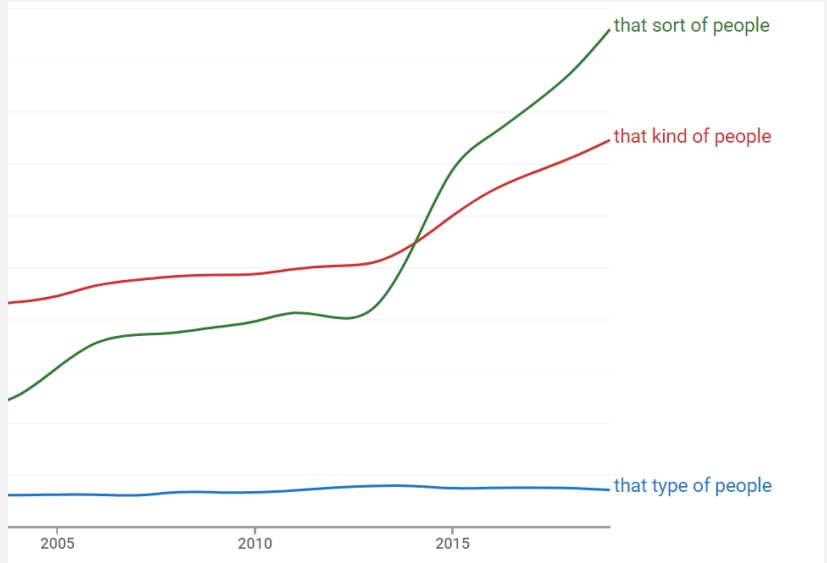

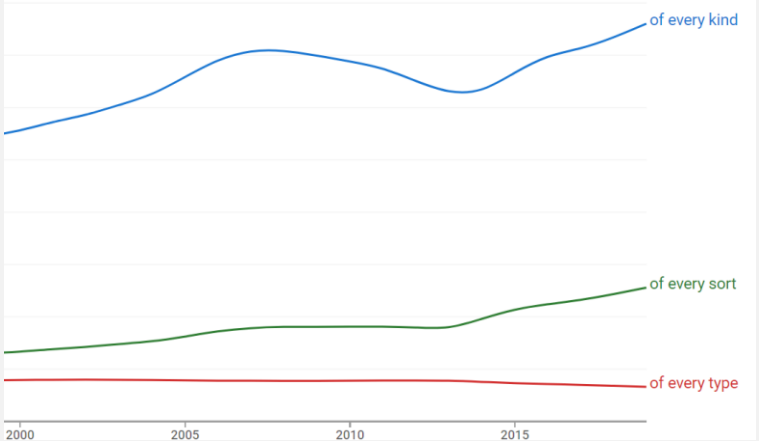

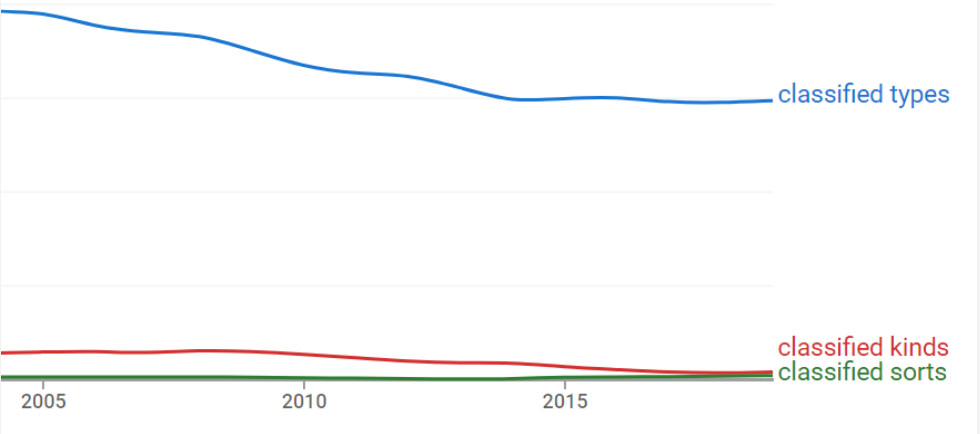

Corpus of Contemporary American English					
SEARCH			FREQUENCY		
SEC 1 (ACADEMIC): 119,790,456 WORDS			SEC 2 (SPOKEN): 126,135,576 WORDS		
	WORD/PHRASE	TOKENS 1		WORD/PHRASE	TOKENS 2
1	A TYPE OF	885	1	A TYPE OF	243
SEC 1 (ACADEMIC): 119,790,456 WORDS			SEC 2 (SPOKEN): 126,135,576 WORDS		
	WORD/PHRASE	TOKENS 1		WORD/PHRASE	TOKENS 2
1	A KIND OF	3946	1	A KIND OF	6043
SEC 1 (ACADEMIC): 119,790,456 WORDS			SEC 2 (SPOKEN): 126,135,576 WORDS		
	WORD/PHRASE	TOKENS 1		WORD/PHRASE	TOKENS 2
1	A SORT OF	1127	1	A SORT OF	2368

FOOD FOR THOUGHT

- For the purpose of classification, we tend to use **type**, such as in “*There are three basic body types.*”
- The beach seems to attract tourists of every **kind**.
- He's the **sort** of person who only cares about money.
- [ON] **cái thể loại**?
 - My parents don't like that **sort** of people.

FOOD FOR THOUGHT

FOOD FOR THOUGHT

Interchangeable usage in real life (involving **synecdoche**)

- What **type** vs. **kind** vs. **sort** of house do you live in?

STRUCTURES

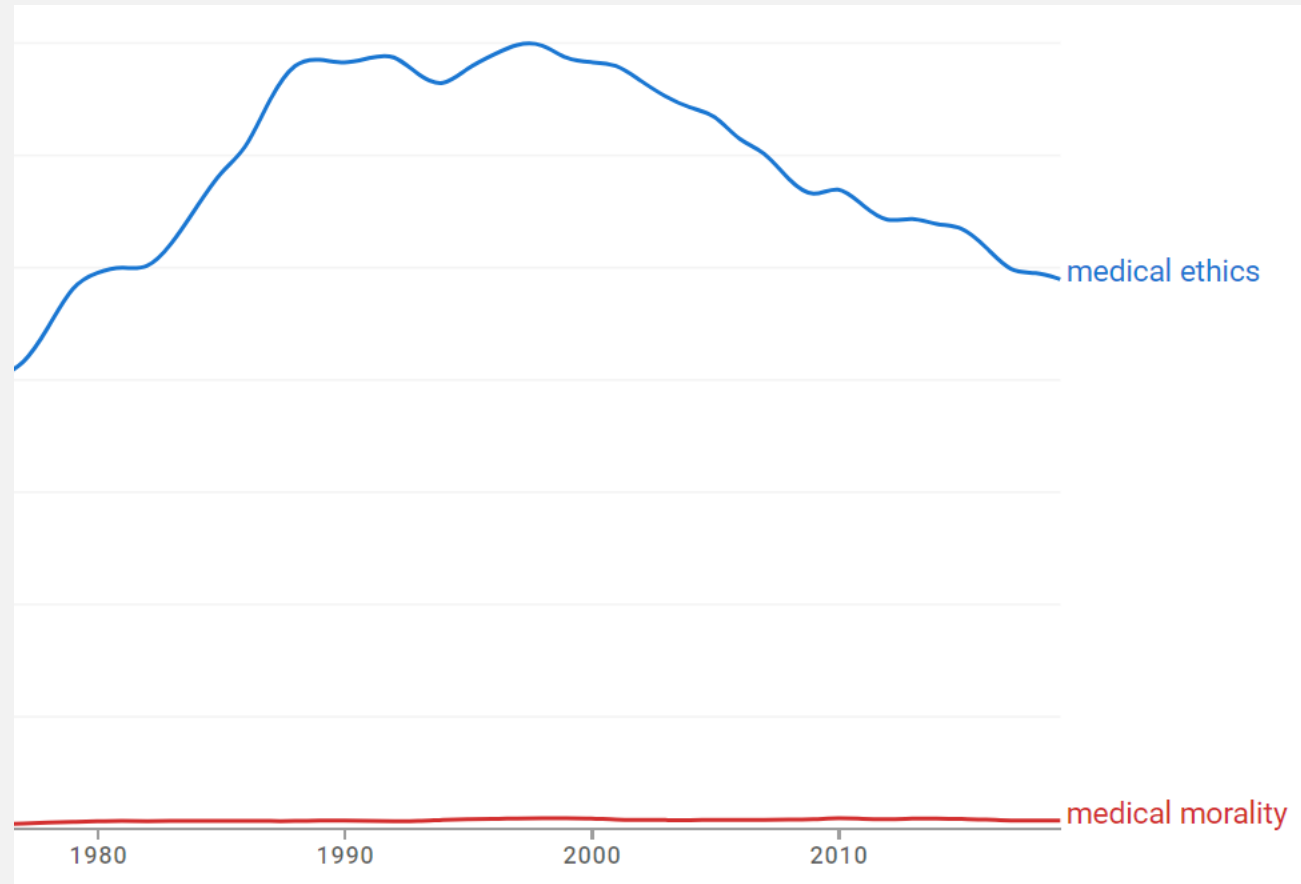

- He's the new chairman of the House Ethics Committee.
- morality vs. ethics

STRUCTURES

- morality vs. ethics: personal vs. community standards
 - The community may deem prostitution unethical while personally you may not call it “immoral”.
 - Does euthanasia of people violate moral or ethical principles?
- [register] morality vs. ethics: religion, education vs. business, medicine, law
- y đức?

STRUCTURES

- morality vs. ethics: personal vs. community standards
- [register] morality vs. ethics: religion, education vs. business, medicine, law
- y đức?
 - medical ethics

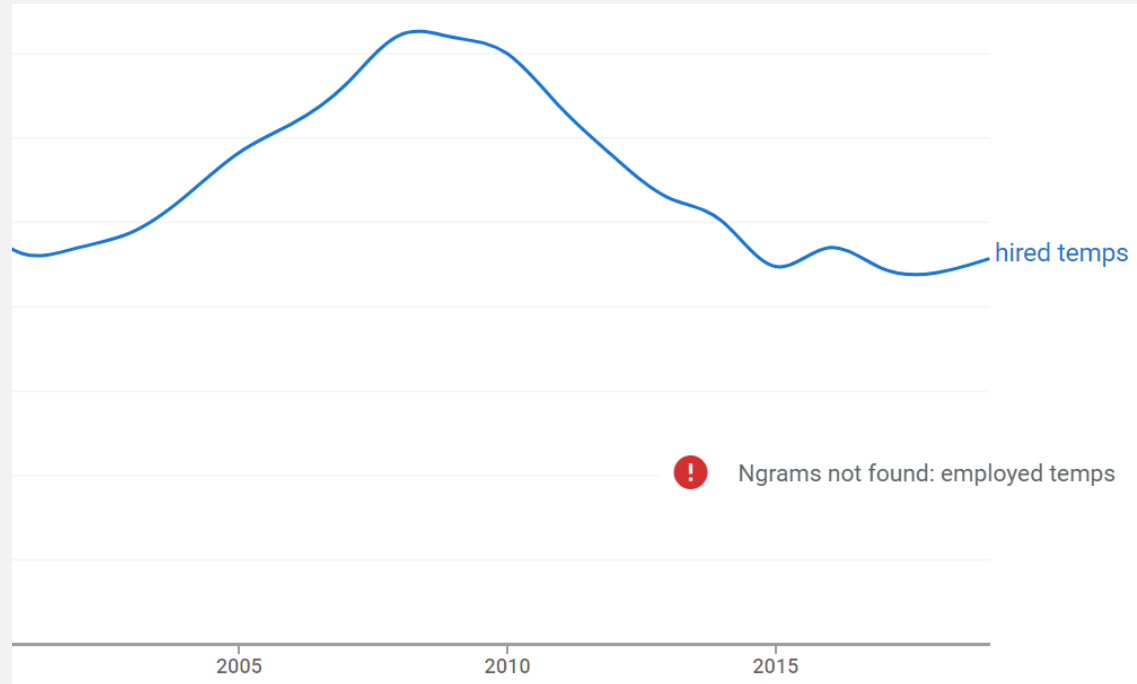

STRUCTURES

- That guy's lying **his ass off** [I, emphasis, rude].
- Have you ever **engaged the services** of a prostitute?
- **hire** [N] vs. **take on** [I→N] vs. **engage** [F]
 - Walmart decided to **take** her **on** as store manager.
 - A magician was **hired** to provide entertainment.
 - She has already **engaged** a lawyer.
- **employ** vs. **hire**

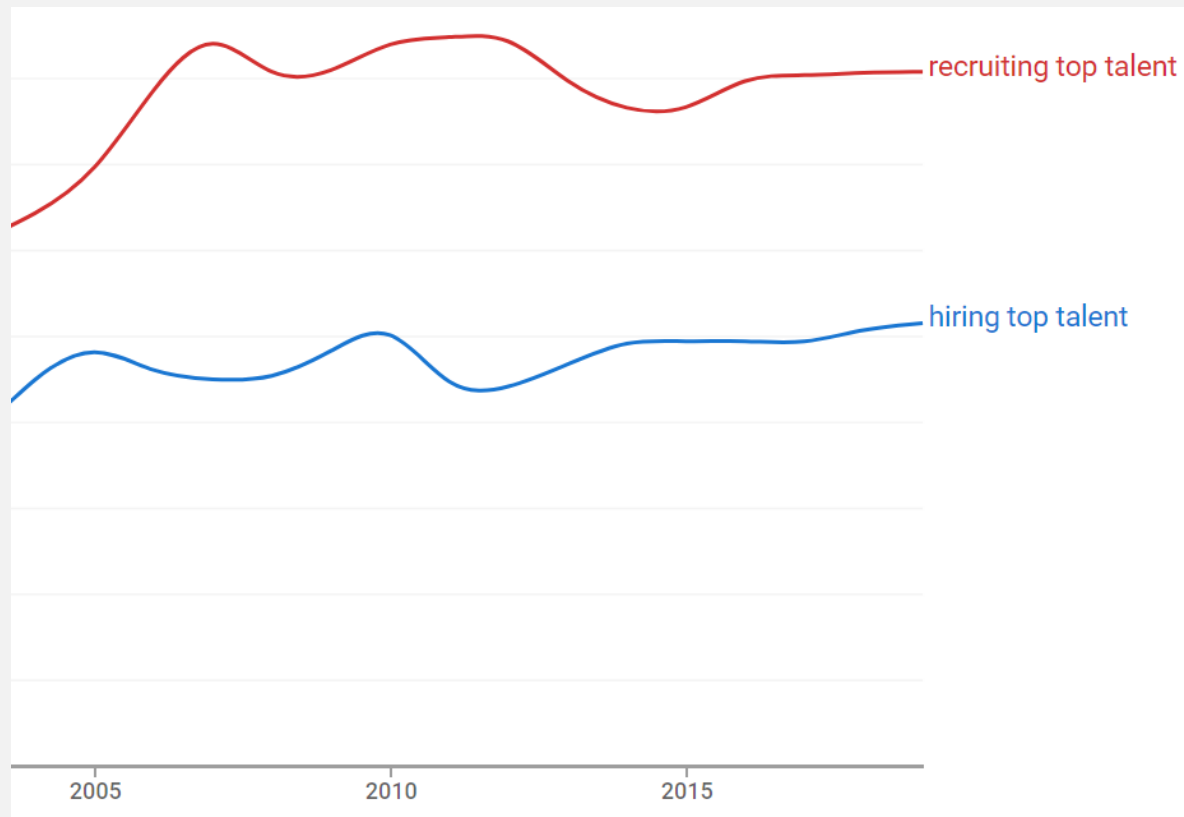

Slide No 27 FOOD FOR THOUGHT

- [length & formality] hire < employ
 - The company employs 150 people and will hire 50 more temps [I ► N, shortening] for their next project.
 - I hired ~~employed~~ someone to paint the house.
- hire vs. recruit

FOOD FOR THOUGHT

- hire vs. recruit: case-by-case vs. on-going
- chiêu mộ người tài?
 - Since we don't have any job openings, we are not hiring right now. But we keep recruiting top talent.

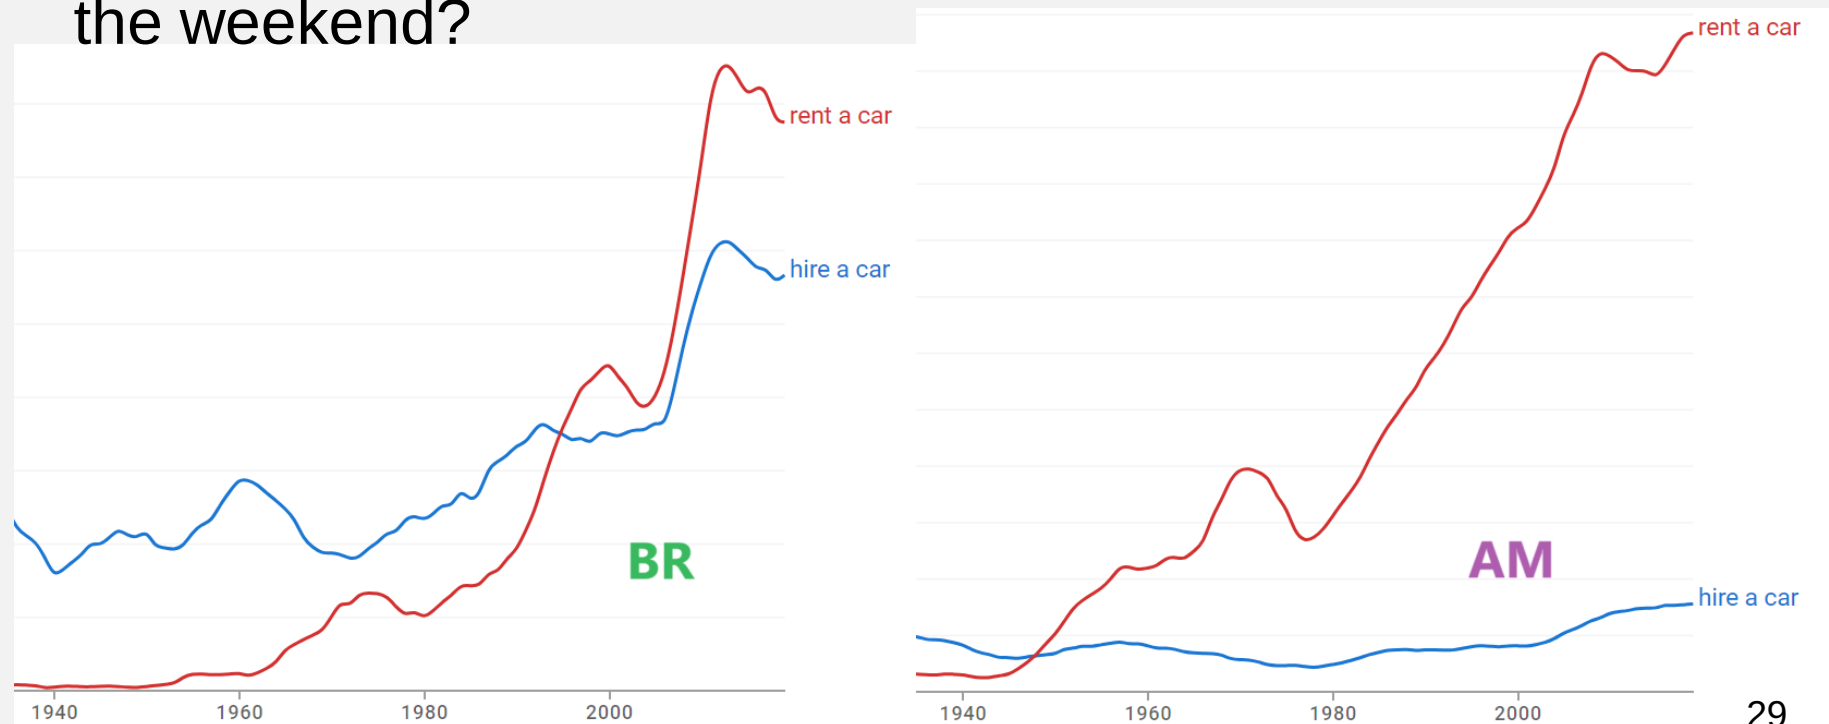

Slide No 29 FOOD FOR THOUGHT

hire vs. rent

- [AM] hire someone but rent something
- [BR] hire someone
hire something for a short time but rent something for a longer time

- How much would it cost to hire a car [BR] vs. rent a car [AM] for the weekend?

STRUCTURES

- I am certainly **not** going to **dignify that with an answer**.
 - **not bother with** [I→N] vs. **not dignify with** [F]
 - We **won't dignify** this kind of speculation **with** a comment.
 - He challenged me, but I **didn't bother with** a reply.
vs. I **couldn't bother** | **be bothered with** house cleaning.
- *watch sample clips*
- Reese **doesn't care about school**.

STRUCTURES

- The girl he's been seeing **goes by** Melissa
 - When I was in high school, I **went by the name** Becky.
 - We **go by first names** around here.
- *watch sample clips*
- And now that we're **on a first-name basis**, I'm gonna throw my underwear in here.

Nhu Quynh

5. Liên quan đến vấn đề khác biệt văn hóa, em muốn hỏi về cách xưng hô với giáo viên ạ. Vì có một lần em xem đc một video ngắn cô giáo bản địa dạy tiếng Anh tại TQ, cô ấy bảo là ở TQ học sinh gọi giáo viên là "Teacher" đối với văn hóa TQ là bt (e thấy ở Vn cũng bt) nhưng cô ấy bảo trong văn hóa phương tây là mất lịch sự, nên gọi giáo viên bằng họ tên (Ms., Mr.) Thì tốt hơn. Nhưng mà trong trường hợp ko biết tên giáo viên thì xưng hô ntn thì cô ấy ko có nói. Thầy có thể chỉ cho em cách xưng hô với giáo viên bản địa trong trường hợp không biết tên của họ đc ko ạ, em cảm ơn thầy.

Hồ Lê Vũ [Author](#) [Admin](#)

Nhu Quynh thì em dùng danh xưng Sir/Ma'am/Ms. như với trường hợp khác thôi. Ngay cả biết tên thì hoặc gọi First Name ko (nếu được phép), hoặc dùng những từ như Prof./Dr./Mr./Ms. + Last Name.

Riêng với Ma'am thì tôi vẫn nhớ lớp TA năm đầu tiên ở Mỹ, khi một sinh viên TQ gọi bà giáo là Madam (thay vì Ma'am) và bà ấy trả lời "I'm not running a brothel"

STRUCTURES

- He sees her every Friday night **without fail**.
- **without fail** [N] vs. **unfailingly** [N→F, affix]
 - He attended every meeting **without fail**.
 - His duty was to maintain order, which he did **unfailingly**, every day.

FOOD FOR THOUGHT

[emphasis] without fail + every/each/always

- She always, without fail, abandoned us at the checkout.
- He calls every week without fail.
- On every occasion without fail the meal is always perfect.

Notes:

- He calls every week without fail. → ALWAYS: *describing*
- I want you here by two o'clock without fail. → MUST: *describing*
- Different tones for always?

STRUCTURES

- **always** [N] vs. **eternally** [I] vs. **invariably** [N→A]
 - She's **always** late for everything.
 - I am **eternally** amazed at what some people will do for money.
 vs. I'd be **eternally** [N→L] grateful if you could arrange it.
 - [ITELs tips] The choice and standard of meal was **invariably** good and occasionally excellent.
- **since forever** [past] vs. **for evermore** [L, future]
 - I love chocolate **since forever**.
 vs. He promised to love her **for evermore**, if only she would consent to be his wife.

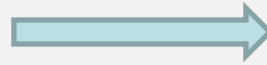

QUIZZES

each vs. every

- It was noisy, but I caught nearly _____ word.
- We're here to help you grow your business by developing a solid relationship right from the start, _____ time, with absolutely no exceptions.
- She had tiny silver rings dangling from _____ ear.

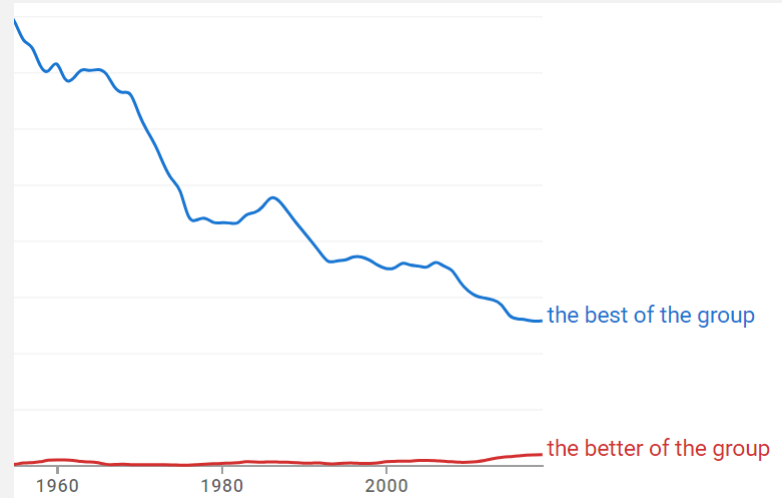

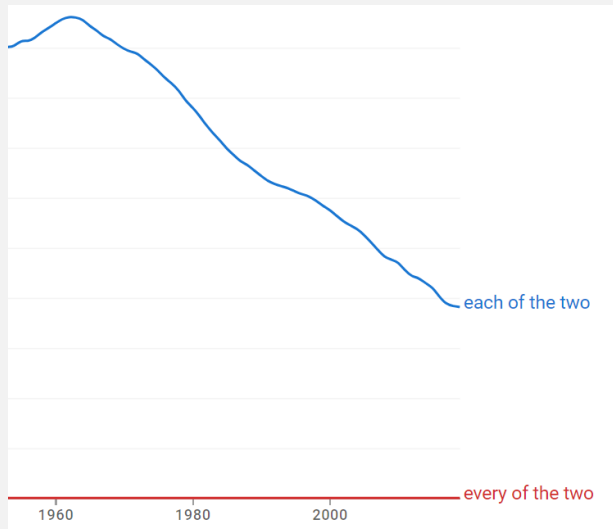

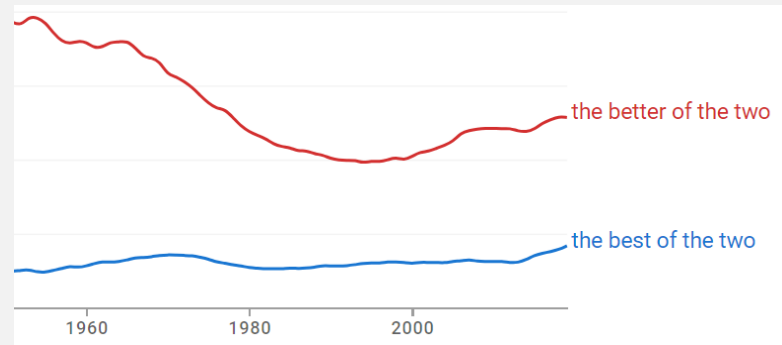

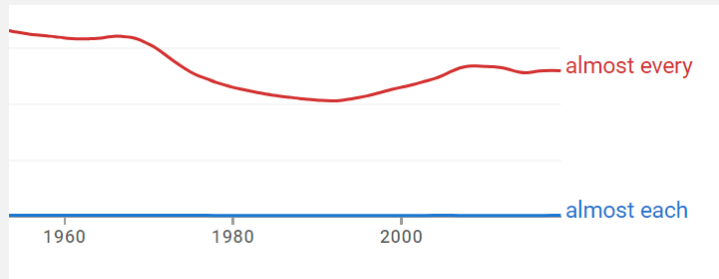

FOOD FOR THOUGHT

EACH
individual

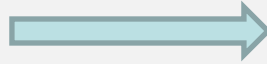

EVERY
group

- We were bitten by mosquitoes **almost every** ~~each~~ night.
- I have 5 fingers on **each** ~~every~~ hand.

FOOD FOR THOUGHT

EACH
individual

EVERY
group

Interchangeable usage in real life (involving **synecdoche**)

- He checked **each** vs. **every** item in the drawer.
- [emphasis] **Each** and **every** person responsible for his murder will be brought to justice.

QUIZ SOLUTIONS

each vs. every: individual vs. group

- It was noisy, but I caught nearly every word.
- We're here to help you grow your business by developing a solid relationship right from the start, each and every time, with absolutely no exceptions.
- She had tiny silver rings dangling from each ear.

STRUCTURES

- spent more than \$82,000 on a single escort over **a matter of** months.
 - Within **a matter of** days she was back at work.
 - This time the journey was short, **a matter of** four or five miles up into the hills.
- *watch sample clips*

STRUCTURES

- You haven't done enough **muckraking** for one day?
- **whistle-blowing** [N] vs. **muckraking** [I, ON]
 - The court decided that the **whistle-blowing** was acceptable because it potentially saved lives.
 - We talk to prominent US journalists trying to halt the slide from genuine investigation to **sensationalist muckraking**.
- Different tones for **giật tit**?

STRUCTURES

- (tiêu đề) giật tít?
- [ON] **sensational** [N] vs. **screaming** [I→N, AM] vs. **sensationalist** [N→F] headlines
 - His interviews are full of **sensational** statements.
 - **screaming** headlines about the latest showbiz scandal
 - **sensationalist** reporting of the latest alleged cancer cures

STRUCTURES

- I'm **tendering** my resignation today.
- **submit** [N] vs. **hand in** [I→N] vs. **tender** [F]
 - They **submitted** their reports to the Chancellor yesterday.
 - All homework and essays must be **handed in** by Tuesday.
 - He's leaving soon. He already **handed in** his **notice** vs. **tendered** his **resignation** a month ago.

FOOD FOR THOUGHT

- If the press finds out who she really is, she will spend the rest of her life being known as the congressman's **whore** [I, rude, mixed tone] daughter.

ACTIVITY 3

- Lie detection techniques: *Other cases*

STRUCTURES

- The little **white lies** sort of [I, S, diminutive] start when children are very young.

→ ~~LIE COLOR~~: *described by or idiom*

https://changingminds.org/explanations/behaviors/lying/four_lies.htm

Four Colors of Lies

		How it affects others	
		Others lose out in some way	Others get positive benefit
How it affects me	I get positive benefit	Black lie	Gray lie
	I lose out in some way	Red lie	White lie

STRUCTURES

- We're putting four kids **smack** in front of this chocolate cake.
- **right** [N] vs. **smack** [I] vs. **squarely** [N→F]
 - Lee was standing **right** behind her.
 - It landed **smack** in the middle of the carpet.
 - The third hit the Prime Minister **squarely** between the shoulder blades

STRUCTURES

- **right** [N] vs. **smack** [I] vs. **squarely** [N→F]

STRUCTURES

- Our cameras were secretly rolling.
- liar [N] vs. fibber [I] vs. fabricator [N→F]
 - You liar!
 - Britain is a nation of fibbers - and men tell more white lies than women - according to a new report.
 - He's been a fabricator for so long that it no longer occurs to him to tell the truth.

STRUCTURES

- **liar** [N] vs. **fibber** [I] vs. **fabricator** [N→F]
- **lie** [N] vs. **fib** [I] vs. **fabricate** [N→F] vs. **perjure oneself** [LW]
 - Never **lie** to your mother.
 - We **fib** less frequently when we're online than when we're talking in person.
 - We have seen no evidence of tabloid journalists **fabricating** stories.
 - He **perjured himself** through giving inaccurate information about his assets.

STRUCTURES

- Poker players watch each other's expressions for clues. These clues are called **tells** [I, functional shift].
- **sign** [N] vs. **tell** [I, functional shift] vs. **harbinger** [F, L, future] vs. **indication** [N→A]
 - She began tapping her foot, a sure **sign** of annoyance.
 - If you have never interacted with a charity before and all of a sudden you're getting emails, that's a big **tell** that it could be a **scam** [I].
 - There are clear **indications** that the economy is improving.

STRUCTURES

- **sign** [N] vs. **tell** [I, functional shift] vs. **harbinger** [F, L, future] vs. **indication** [N→A]
 - For a moment our man wondered whether the black clouds were **harbingers** [ON, BR] of some ill omen.
 - Her father's first success was seen as a **harbinger** [N, AM] of better times to come.
- chim én báo hiệu mùa xuân?

STRUCTURES

- chim én báo hiệu mùa xuân?
 - Swallows are a harbinger of spring.

STRUCTURES

- Notice how Mavis **purses** her **lips** when she lies.
- **mím môi?**
 - **tighten** one's **lips**
- **cắn môi?**
 - **bite** one's **lips**
- **hé môi?**
 - **part** one's **lips** [slightly]
- **chu môi?**
 - **pout** one's **lips**
- **bĩu môi?**
 - **curl** one's [upper] **lip**
- **trề môi?**
 - **protrude** one's **lips**

→ LIP: *patient*

LIP → MOUTH: *association*

STRUCTURES

- [eyeglasses] You have such a weak prescription.
 - Do you have to wear prescription glasses on the job?
 - If your prescription says -1.00, you have one diopter of nearsightedness. Similarly, +1.00 would indicate farsightedness.
- kính không số?
 - non-prescription [N→F] vs. fake glasses [I→N]

HOMEWORK

- Session 16
 - Chuyện tình Hồng Nhung và Trịnh Công Sơn
 - Lie Detection
 - Solve the challenge of the week
